	<complex-block></complex-block>	 LTRI site license host name/IP address is parsonshp-2. Select < parsonshp-2 > from the list or Type < parsonshp-2 > in the Host name/IP address field at top & select Select < Next >

10 You are now connected to the LTRI Kaluza site license.

If you encounter a site license connection error message, the host computer may have been turned off by mistake. Contact Mike (<u>parsons@lunenfeld.ca</u>) or Annie (<u>bang@lunenfeld.ca</u>) to restart the host computer.

8 In the License Management window, select < Finish >

Upon return to the About Kaluza Analysis window, select < OK >
